(There is also the option to "reset password" if you have accessed the online options before and just can't remember your password)

If you have never registered for an activity, had a membership or done a rental at the RECC, please proceed with the "create account" at the bottom of the page.

3) Once you are logged in, or the account is created, Click on the "Registration" tab

4) On the left hand side, you will see a list of activities that are listed by type and time.

(Activities on the hour are week days, the activities on the half hour are weekends)

*You can use the arrows beside the activity name to expand the options if you are looking for particular days, or you can click on the activity itself to look at the available dates and times.

*You can also use the "search activities" bar at the top of the list.

*The "Advanced Search" option at the bottom of the activity list can be used by checking the box and using the date sections, and search text to filter the activities to a specific date and type.

5) Click the green "Register" button on the activity. Please pay close attention to the date and the time listed on the activity to ensure you are enrolling for the correct spot. If the activity is full it will show a yellow "waitlist" button instead of the green "register" button. If you add to the waitlist, the Welcome Desk will contact you if a space opens up.

6) Use the drop down menu beside the "name of registrant" field to select the person you wish to register. If the person you would like to register is not on your list, you will need to add them to your account. To do this:

-click the "My Account" button on the top right side of the page and select "Edit Account".

-Scroll to the bottom of the page and select "Add Member"

(this button is just below the list of existing members on your account)

-Complete all fields with a red star and click "continue" at the bottom of the page.

(If you need to add additional family members, repeat the process for each one)

-Once you are done adding members, make sure you scroll down to the bottom of the page and click "submit" otherwise it won't save your changes.

7) Proceed with enrolling all individuals who are attending the swim by selecting their name from the drop down list, clicking "add to cart" and then "continue shopping", until you have everyone added to your cart.

8) Once everyone has been added to your cart and you've registered for all of the activities you were looking for, click "check out" and then "continue". If successful, it will say "Order Complete" and you will receive a confirmation email.

9) If you do not receive a confirmation email, please call the Welcome Desk to ensure your spot(s) have been reserved.

SWIMMING LESSONS 2021 FAQ

What is the difference between Swimmer 1A and Swimmer 1B?

Swimmer 1 Beginner is for participants who have never completed a session of swimming lessons, or are timid in the water. Swimmer 1 Advanced is for participants who have confidence in the water, but need more practice on skills. Both Swimmer 1A&B follow the same lesson criteria, just with slightly different focuses.

My child was last in Preschool 3 or 4, but is now aged out of the program. What level should they register for?

They should be registered in Swimmer 1A.

My child completed Preschool 5. What level should they register in next?

They should register in Swimmer 2.

I don't remember what level my child last completed. How can I find out?

When a child completes a session of swimming lessons, their instructor indicates on their progress card which level to register for in the next session. Alternatively, you may call our Welcome Desk at 902-893-2224.

My child hasn't taken lessons for years and they are now too old to participate in the level last recommendation. How do I know which level to register for?

Our Welcome Desk Staff are able to assist you in choosing the correct level to register by providing a general summary of our programs. For more specific inquiries, reach out to our Aquatics Manager at ccutler@therecc.ca

Can I watch my child's swimming lesson?

Children under the age of 8 are permitted to have one guardian on the pool deck. All other parents and spectators are asked to use the viewing area upstairs. We kindly ask that all lesson participants limit the amount of spectators per child. Masks must be worn at all times within the viewing area.

Do you offer lessons for Adults?

Have you heard about our Masters Swim Club? Masters is a drop in lane swim club for adults who are already able to swim one full length (25m) of the pool. On Tuesday and Thursday evening 8:00-9:00, join Coach Jess for a swim workout. Workouts are designed for advanced, intermediate, and athlon swimmers. There is also a workout designed for those who have little to no experience with swim workouts, or are returning from a prolonged break.

Questions regarding adult swimming lessons may be directed to our Aquatics Manager
